

# Paper Plate Marble Maze

Source: carlyandadam.com

**Objective:** Create a marble maze on a paper plate.

## Materials

- 1 paper plate per student
- 1 marble per student
- construction paper, various colors
- straw (straight or bendy ones)
- tape
- marker
- scissors (from the classroom)

## Instructions

1. Cut 4-5 strips of construction paper, ½ in. x 2 in.
2. Tape one end of the construction paper strip on the paper plate then arch it before taping the other end. Make sure that the marble can fit under the arch.
3. Cut the straws in different lengths and tape it on the paper plate to create the maze.

4. You may use the markers to draw the arrows to indicate which way the marble should go.
5. Make sure you put “Start” and “Finish”.
