

Introduction to Ozobot Blockly 05: Skills Check

Activity Sheet

① What is the definition of sequence?

② What is the action/purpose of a loop?

③ If you are debugging, what are you doing?

④ What is the sequence of blocks to use if you want your bot to travel in a stair stepping shape?
Write in your own words (this is called pseudocode).

⑤ What is your favorite code block that you've learned so far, and why?
